

IN THE SPECIFICATION

Please amend the specification as follows:

Title: Please amend the title as follows:

~~A device comprising a shaft with a plurality of fan bodies provided thereto and a method for mounting the device as well as a use of the device~~

Fan including a plurality of spaced fan bodies

Please amend the first paragraph of the specification as follows:

The present invention relates to a ~~device~~ fan including a plurality of spaced fan bodies for obtaining circulation of air, ~~a method for the production thereof and use of the device.~~

Please amend (by deleting) the paragraph beginning on page 2, line 10, as follows:

~~The aforementioned objects are obtained by a device, a method and use as set forth in the attached claims.~~

Please amend the last paragraph of the specification as follows:

The invention has now been described by means of exemplary embodiments, but many variants of the invention ~~as defined in the attached claims and which are~~ within the field of knowledge of the skilled person are conceivable.
